COLLEGE

MFA Program Registration for Graduate Credits

Candidate _____ Date _____

Advisor _____

Candidate's area of concentration (check one):

Photography Filmmaking Multimedia

Credits required to complete the degree (prior to this registration):

Studio _____ Academic _____

Candidates must register for nine to eleven credits per semester in order to complete degree requirements in three years. Given a typical nine credit semester, and in light of federal requirements related to time-on-task, Candidates should devote a minimum of 21 hours per week to their studies.

By signing below, the Candidate indicates that he/she understands and commits to time-on-task requirements.

Describe below information regarding proposed projects, residencies, or workshops to be completed this term; please indicate whether the project is for studio or academic credit by including an "(S)" or "(A)" respectively as part of the project title. Be advised that once this form is submitted project titles may not be changed and must also be consistent on all related forms.

1. Project title

Number of credits requested _____

Mentor _____
